It is hereby certified that Ms. Negar PEZESHK, a graduate of the Master's degree in Persian Literature and Language, has collaborated for nearly a year with the research project of compiling "Persian Language Learner's Dictionary" (Farhang Zabanamooz Farsi) which I have been in charge of and which is now about to be published.

Her work was mostly in the field of providing definition and editing, which she did carefully and patiently. Her interest and knowledge about the Persian language and literature is admirable and she seems to have the merit of continuing her studies at the doctorate level and conducting scientific and literary research.

I wish success to Ms. Negar PEZESHK.
