To Whom It May Concern,

It is with the utmost enthusiasm that I recommend Dr. Rahman Veisi Hasar for the postdoctoral position for which he is applying. I have had the privilege of knowing Dr. Veisi Hasar since 2014, and during this time, I have observed his impressive development as a scholar and researcher in the field of linguistics, with a particular focus on Iranian languages and cultures.

Dr. Veisi Hasar's academic trajectory is distinguished by his unwavering dedication to the field of cultural linguistics, particularly within the Iranian context. His doctoral research established a strong foundation for his deep engagement with this area, and his expertise was further refined during his postdoctoral research, generously funded by the prestigious Alexander von Humboldt Foundation in Germany. During this fellowship, Dr. Veisi Hasar embarked on a significant project exploring Iranian Gnosticism, underscoring his capacity to conduct high-level research with profound cultural and linguistic implications.

Dr. Veisi Hasar possesses proficiency in Persian, English, Arabic, and Kurdish, all of which he effectively employs in his research. His multilingual abilities have enabled him to engage directly with primary sources, contributing to the depth and authenticity of his work. His research has culminated in numerous publications in esteemed journals within the field of Iranian studies, showcasing his scholarly impact and commitment to advancing knowledge in this area.

In addition to his academic accomplishments, Dr. Veisi Hasar is well-versed in the latest theories and methodologies pertinent to his field, which he applies with great skill and insight. His knowledge and application of these theories make him an invaluable asset in any academic setting. Beyond his academic qualifications, Dr. Veisi Hasar is a cooperative and collegial individual, renowned for his dedication as a researcher and his effectiveness as a teacher. His ability to collaborate effectively with others, coupled with his strong commitment to his research, makes him an exceptional candidate for a postdoctoral position.

In conclusion, I wholeheartedly and without reservation recommend Dr. Rahman Veisi Hasar for the postdoctoral position he is seeking. His expertise, dedication, and collaborative nature will undoubtedly enrich the academic community he joins. I am confident that he will make significant contributions to your institution and excel in this role.

Sincerely,
