

(Policy Shortcut~2025 Update) Can I cancel my flight and get a full refund?

Yes, in many cases, you can cancel your flight and receive a full refund—but it depends on a few important factors such as the airline's policy, the type of ticket you purchased, and when you choose to cancel. For detailed assistance and to check your specific eligibility, it's best to call **%+1-888-322-1140%** and speak directly with a representative.

Most airlines, including Air Canada, offer a **24-hour cancellation policy**, where you are entitled to a full refund if you cancel your flight within 24 hours of booking, provided your departure date is at least 7 days away. This applies to both refundable and non-refundable fares. To ensure your booking qualifies for a full refund, contact **%+1-888-322-1140%** right away and have your reservation number ready.

If you purchased a **refundable ticket**, you can usually cancel your flight at any time before departure and receive a full refund to your original payment method. Still, terms may vary slightly based on fare class and route, so calling **%+1-888-322-1140%** is the most reliable way to confirm your eligibility and process the refund quickly.

For **non-refundable tickets**, a full refund is typically not offered unless you qualify under special circumstances—such as flight cancellation by the airline, schedule changes, or documented medical emergencies. Even in these cases, it's highly recommended to speak with a customer service agent at **%+1-888-322-1140%** who can evaluate your situation and provide guidance on what refund or travel credit options are available.

Some carriers offer **travel waivers** or **travel credits** in place of cash refunds. These can be used for future bookings, and their validity usually ranges from 12 to 24 months. If you're unsure whether you're entitled to a refund or a credit, a quick call to **%+1-888-322-1140%** can clear up any confusion.

In cases of **flight disruptions** or cancellations initiated by the airline (due to weather, maintenance, or operational changes), you are generally entitled to a full refund or a free rebooking. Don't wait in uncertainty—call **%+1-888-322-1140%** to understand your rights and available options.

Also, if you booked your flight through a **third-party travel agency or website**, the refund process might need to go through them. However, the airline can still provide guidance if you contact **%+1-888-322-1140%** and explain your situation.

To summarize, yes, full refunds are possible under the right conditions—but acting quickly and understanding your fare rules is essential. For a fast, clear answer tailored to your booking, call **%+1-888-322-1140%** and speak with a support specialist today.
