## Details

First steam has prevented wallet funds from being gifted or transferred to another account the company has also imposed currency restrictions on steam wallet codes this decreases the likelihood of funds being unlawfully used overseas

Doesnt work cause i tried it as well in the end u still have to pay trough either a subscription from dodgy sites or text message so many times that u will end up paying more than the actual game wich i couldnt be bothered with

Of course everyone loves getting personalized gifts if you know which game your friend already wants then you can buy that game as a gift from the steam store however if you aren t quite sure what your friend might want for say their birthday or holiday then a steam gift card can be a great gift digital gift cards can also help you contribute to a friend s game purchase or to help them buy a micro transaction item

## More Information

Once you sign up you get a set of trivia questions each weekday with multiple choice answers answering all the questions correctly wins you the grand prize of 500 however the app splits the grand prize if more players get all the answers right finally even if you

don't win you still get some points for the questions you answered correctly once you have enough points you can exchange them for cash or gift cards

Virtual gaming conventions and gatherings have gained popularity especially in the era of online connectivity these events bring together gamers from different backgrounds and offer opportunities to interact share experiences and participate in various activities

None of them are available in my region even if there are then they don't pay actually just wanna know if there are any survey sites for india which do actually give steam wallet i had requested prize rebel for adding it for my region but they didn't take any steps just wanna know if there are actually any sites or not giving steam wallet in india Plus it has a relatively low payout threshold so you will be able to quickly start earning steam codes lastly it is available globally so you will be able to register regardless of where you live
