So even though the payout threshold is a bit high you still won't have a hard time reaching it because there are several earning opportunities that are available regularly plus the site will reward you the longer you are active on the site through their membership level upgrade

One downside about rewards<sup>1</sup> as you can see is that the threshold is pretty high at 20 you will need to be a bit patient in order to start redeeming steam codes also the site is a bit confusing at first you will need to get used to how the site works
