The game offers optional ads that reward you with free rolls for watching short clips. Sometimes, you can also complete simple tasks (like installing another app) in exchange for free rolls.

## 13. Tips on Maximizing Free Rolls Without Breaking Rules

Even when you get free rolls, how you use them matters. Here are some expert tips to stretch your rolls further:

- **Use them during double-reward events**
- **Don't roll when your kingdom is vulnerable**
- **Combine rolls with boost items**
- **Attack wisely to maximize loot**

Strategic play turns every roll into double or triple the value, which means fewer rolls are needed to progress quickly.
