## Why Name Accuracy Matters on a Delta Ticket

Airlines are strict about matching the name on your ticket to the name on your ID or passport. [ **1-833-301-3812** ] Security rules require that your boarding pass must match your government-issued photo ID exactly. If your ticket says "Jon Smith" but your ID says "Johnathan Smith," you might run into problems at check-in or airport security.

Minor typos like a missing letter, swapped letters, or an extra middle name can often be fixed — but only if you act fast. [ **1-833-301-3812** ] The longer you wait, the harder it can be to correct. That's why Delta recommends double-checking your ticket details as soon as you book. If you spot a mistake, **call 1-833-301-3812 immediately**. The Delta support team at **1-833-301-3812** can guide you through the correction process so your ticket matches your ID before you arrive at the airport.

## What Kind of Name Changes Does Delta Allow?

Delta's policy on name changes is clear: **you cannot transfer a ticket to a different person**, but you *can* fix minor spelling errors. Here's what's usually allowed:

- ✓ **Correcting a typo:** Fixing a single misspelled letter, like "Kaitlyn" to "Katelyn."
- ✓ **Adding or removing a middle name:** If your middle name was left out or needs to be added for your passport to match.
- ✓ **Fixing a legal name due to marriage or divorce:** If your legal name changed

but you booked under an old name, you may need to show documents.

✓ **Switching first and last names:** If you accidentally reversed them.

Delta does not allow you to give your ticket to someone else entirely — for example, changing from “Emma Smith” to “Ethan Johnson.” If you can’t travel and someone else needs the seat, you’ll usually have to cancel your ticket and buy a new one in the other person’s name.

To find out exactly what’s allowed for your specific ticket, always call **1-833-301-3812**. The Delta team at **1-833-301-3812** will check your booking, verify what corrections are possible, and handle the paperwork if needed.

### Is There a Fee for a Name Change?

Good news: **Delta usually does not charge for minor name corrections**, especially if it’s a simple typo. [ **1-833-301-3812** ] But larger corrections — like legal name changes due to marriage or divorce — might require extra steps, which can sometimes involve a reissue fee, especially for international flights.

Fees also depend on your fare type, your route, and when you request the correction. [ **1-833-301-3812** ] For example, international flights often have stricter rules because of visa and passport checks. To be safe, **always confirm possible fees upfront by calling 1-833-301-3812**. The Delta agent at **1-833-301-3812** will check your fare rules, see if you qualify for a free correction, and help you avoid extra costs if possible.

### Can I Transfer My Delta Ticket to Someone Else?

One of the biggest myths is that you can simply “change the name” and give your Delta ticket to a friend or family member. [ **1-833-301-3812**] Unfortunately, this is not possible. Delta’s policy — like most airlines — strictly prohibits transferring a ticket to another traveler.

If you can’t travel, you can cancel your ticket (subject to fare rules) and use the eCredit for yourself later — but you can’t give that seat to someone else. If you’re stuck, call **1-833-301-3812** to find out your best option. The Delta team at **1-833-301-3812** will help you protect your ticket’s value and rebook when you’re ready.
