

Is United Airlines Premium Economy Worth It: [Call Now]

Traveling in **United Airlines +1(866) 658-5895 Premium Economy**, known as **United® Premium Plus**, offers a major upgrade from standard economy without the high cost of business class. If you're planning a long-haul international or transcontinental flight, Premium Economy delivers more comfort, space, and perks.

This guide explains everything you need to know about United Premium Plus: what you get, how it compares to Economy and Business Class, and how to book. For help with reservations or upgrades, call **+1(866) 658-5895**.

1. What Is United Premium Economy?

United Premium Economy, officially called **United Premium Plus**, is an enhanced cabin class available on select international and long-haul domestic routes. It sits **between Economy and Business class**, offering wider seats, extra legroom, upgraded meals, and priority services.

✓ Premium Plus = more comfort, priority perks, checked baggage, and premium dining—without the price of Polaris Business Class.

2. What Do You Get in United Premium Economy?

When flying **United Premium Plus**, you enjoy upgraded features across every part of the journey:

Seating

- **More legroom:** Up to **38 inches of pitch** (vs. 31 in Economy)
- **Wider seats** with extra recline and footrests
- Adjustable headrests and larger seat-back screens (13 inches)

Food & Drink

- **Premium dining:** Multi-course meals with upgraded entrees and tableware
- **Complimentary beer, wine, and spirits**
- Extra snacks on long-haul flights

Luggage

- **2 free checked bags** included (vs. paid bags in Economy)
- Priority baggage handling

Airport Services

- **Premier Access check-in and boarding**
- Earlier security lane access (where available)

To confirm these features on your route, call **+1(866) 658-5895** and ask about your specific flight.

3. Routes That Offer United Premium Economy

United Premium Plus is available on:

- Select **international routes** (Europe, Asia, South America)
- Long-haul **transcontinental U.S. routes**
- Flights operated by Boeing 777-300ER, 787-10 Dreamliner, and select 767s

Not sure if your flight has Premium Plus? Call **+1(866) 658-5895** to check aircraft details and availability.

4. United Premium Economy vs Economy

| Feature | Economy Class | Premium Economy (Premium Plus) |
|-----------------|------------------|--------------------------------|
| Legroom (Pitch) | 31 inches | Up to 38 inches |
| Seat Width | ~17 inches | Up to 19 inches |
| Recline | Standard | Deeper recline with footrest |
| Checked Bags | Not included | 2 free |
| Meals | Basic tray meal | Premium plated meal |
| Boarding | General boarding | Priority boarding |
| Entertainment | 9" screen | 13" screen |

For many travelers, especially on longer flights, the upgrade is well worth it. Call **+1(866) 658-5895** to compare prices or request an upgrade.

5. How to Book United Premium Economy

You can book Premium Plus by:

1. Visiting [united.com](https://www.united.com)
2. Using the United app
3. At the airport ticket counter
4. Calling **+1(866) 658-5895** to speak with a live agent

If you already booked an Economy ticket, you may be eligible to **upgrade to Premium Plus**. Call **+1(866) 658-5895** to check upgrade pricing and availability.

6. Can You Use Miles for Premium Plus?

Yes—**MileagePlus members** can use miles to book or upgrade to United Premium Plus. The number of miles needed varies by route and fare class.

To redeem or get an exact quote, call **+1(866) 658-5895** and a United representative can assist.

Frequently Asked Questions (FAQs)

1. What is the difference between Economy Plus and Premium Plus?

- **Economy Plus** only adds legroom.
- **Premium Plus** adds bigger seats, free bags, meals, priority services, and more.

2. Are meals included in United Premium Economy?

Yes, Premium Plus includes a **multi-course meal**, snacks, and free alcoholic beverages.

3. Can I bring extra luggage?

Yes—**2 free checked bags** are included with Premium Plus. Confirm your allowance at **+1(866) 658-5895**.

4. Is there Wi-Fi in Premium Plus?

Yes, Wi-Fi is available for purchase. You'll also get a larger screen and more entertainment options.

5. How do I upgrade to Premium Economy?

You can upgrade online, through the app, or by calling **+1(866) 658-5895**.

Final Thoughts: Is United Premium Plus Worth It?

For travelers who want comfort without the Business Class price tag, **United Premium Economy** is an excellent middle-ground. With more space, better meals, and priority perks, it's ideal for international or long-haul travel.

If you're still deciding or want help upgrading, call **United Customer Support** at **+1(866) 658-5895**. Agents are available 24/7 to help you get the best seat for your journey.
