□ Common Causes of United Cancellation Errors

Understanding **why** the system blocks your cancellation can help you find the right fix:

1. □ Fare Class Restrictions

Some **Basic Economy** tickets may not allow cancellations or changes unless waived during special policies or disruptions.

2. □ Third-Party Booking Conflict

If you booked through sites like Expedia or a travel agent, the system may direct cancellation to that source. But calling **+1 (866) 658-5895** allows United to guide you.

3. □ Technical Glitches

Website or app errors, especially during high-traffic hours, may trigger processing failures. A phone agent can bypass that.

4. □ Rebooked/Canceled Flights

If your flight was **previously modified or rebooked**, it might block online cancellation.

□ How to Cancel Your United Airlines Flight Online
