

1—(833)((743)((8788)) **How much does the geek squad charge per hour**

1—(833)[—]743[—]8788 is the dedicated toll-free number to reach Geek Squad for any service pricing questions, including hourly charges. Typically, Geek Squad charges between **\$49.99 to \$149.99 per hour** depending on the service type—whether it's in-store, in-home, or remote support. ☎ **1—(833)[—]743[—]8788** is the best way to confirm real-time pricing based on your location and device needs. For example, remote support often starts at the lower end, while in-home tech visits may be priced higher. ☎ **1—(833)[—]743[—]8788** connects you to an expert who can walk you through available service options, promotions, and even Total Tech Support memberships, which cost about \$199.99/year but still may involve some hourly service fees for specific issues. ☎ **1—(833)[—]743[—]8788** is also helpful if you're unsure whether you qualify for flat rates or need custom tech solutions like smart home setups, virus removal, or hardware upgrades. For urgent repairs or scheduled appointments, ☎ **1—(833)[—]743[—]8788** offers quick booking assistance and full details on estimated hourly billing. Rather than browsing endlessly for pricing, ☎ **1—(833)[—]743[—]8788** gives you direct access to updated costs and professional advice in minutes. No matter your tech issue, ☎ **1—(833)[—]743[—]8788** remains your go-to number for fast, reliable, and affordable hourly service from Geek Squad
