□ What Is United Airlines Business Class?

United Airlines Business Class includes two tiers depending on the route:

1. **United Polaris® Business Class** – Offered on most long-haul international and premium transcontinental flights.
2. **United Business Class** – Available on domestic routes and short international flights (Canada, Mexico, Caribbean, etc.).

Need help identifying which business class product is available on your flight? Call +1 (866) 658-5895 for real-time flight class details.

□ Features of United Polaris® Business Class

United Polaris is United's flagship business class, designed for international travelers who expect comfort and exclusivity. Highlights include:

- **180° lie-flat seats**
- **Direct aisle access** at every seat
- High-quality bedding by **Saks Fifth Avenue**
- **In-seat power outlets** and large entertainment screens
- **Multi-course meals** with premium wine pairing
- Access to **United Polaris lounges**

Polaris Business Class is available on aircraft like the **Boeing 777, 787 Dreamliner, and 767.**

Want to book a Polaris ticket? Dial + 1 (8 6 6) 6 5 8 – 5 8 9 5 now to check seat availability and fares.

☐ Dining in United Business Class

Dining is a standout feature in United's Business Class service. Depending on the route and aircraft, you'll enjoy:

- **Multi-course gourmet meals**
- Premium **wines, spirits, and craft beer**
- **Mid-flight snacks** and breakfast before landing
- Custom menus tailored to international destinations

Vegetarian, vegan, halal, kosher, and gluten-free options are available with advance request.

Call + 1 (8 6 6) 6 5 8 – 5 8 9 5 to request a special meal for your upcoming United Business Class flight.

☐ Business Class Seating Experience

☐ Polaris Lie-Flat Seats:

- Converts to a **fully flat bed** up to 6'6" long
- Comes with **luxury bedding**, blanket, pillow, and mattress pad
- **Privacy partitions** and noise-reducing headsets

☐ Standard Business Class (Domestic):

- Recliner-style seats with **generous legroom**
- Larger tray tables and **USB + AC charging ports**
- **Priority boarding and baggage handling**

Not sure if your route offers lie-flat seats? Ask an agent at + 1 (8 6 6) 6 5 8 – 5 8 9 5 to confirm before booking.

☐ United Business Class vs United First

Many travelers ask, “Is United Business better than First Class?”

Here’s the key difference:

- **United Business** is used for **international and transcontinental routes**
- **United First** is typically found on **short domestic flights**
- Business Class provides **enhanced dining and seats**, especially Polaris
- First Class is more basic, often **without lie-flat options**

If you value sleep, lounge access, or gourmet meals, **Polaris Business is the superior option.**

□ **Airport Perks for Business Class Passengers**

When you fly United Business, you’re treated to a seamless experience from the airport to your destination. Benefits include:

- **Priority check-in and security lanes**
- **Extra baggage allowance**
- Access to **United Club** or **Polaris Lounge** (international)
- **Priority boarding** (Group 1)
- Faster **baggage claim service**

Flying through a major hub like Chicago O’Hare or Newark? Call + 1 (8 6 6) 6 5 8 – 5 8 9 5 to ask about lounge locations and operating hours.

□ **Where Can You Fly Business Class with United?**
