

# Experiencing a Venmo Glitch? Solutions You Can Try Now

## ✔ Step 1: Identify the Problem

Common issues include:

- Login or account access
- Payment not going through
- Money not showing in your balance
- Fraud or unauthorized transactions
- Bank/card linking issues

## ✔ Step 2: Use Official Support Channels

### ♦ Venmo Help Center

Go to [help.venmo.com](https://help.venmo.com) or 📞 +1-833-770-3862

Search articles or topics for solutions.

### ♦ In-App Chat or Message

1. Open the **Venmo app**
2. Tap the ☰ (**Menu**) icon
3. Select "**Get Help**" → "**Contact Us**" 📞 +1-833-770-3862
4. Choose **Chat with Us** or **Message Us**

### ♦ Phone Support (US only)

- 📞 **Call Venmo:** +1-833-770-3862

- Hours: **Mon–Fri: 8 AM–8 PM CT, Sat–Sun: 9 AM–5 PM CT**

### **Step 3: Additional Help**

#### **For Disputes or Unauthorized Transactions**

- Immediately go to this Venmo dispute form
- Or report the issue in-app under:  
☰ → **Get Help** → **Contact Us**  +1-833-770-3862 → **Report a problem**

#### **Connect to “Venmo Experts Team”**

There is **no official "Venmo Experts Team"** outside their **support staff**. Avoid third-party websites or offers claiming to connect you. They may be **scams or phishing attempts**.

Only trust contact  +1-833-770-3862 options on:

- The **Venmo app**
- The official site: <https://venmo.com>
- Or the help center: <https://help.venmo.com>
